Disclaimer

All texts and links have been carefully checked and are constantly updated. We strive to provide accurate and complete information in this document, but assume no responsibility, guarantee or warranty that the information provided by this document is accurate, complete or up to date. We reserve the right to change the information on this website at any time and without prior notice and do not undertake to update the information contained. All links to external providers were checked for correctness at the time of their inclusion, however we are not liable for the content and availability of websites that can be reached via hyperlinks. For illegal, incorrect or incomplete contents and especially for damages caused by contents of linked pages, only the provider of the page to which reference was made is liable. It does not matter whether the damage is of a direct, indirect or financial nature or whether there is any other damage that could result from data loss, loss of use or other reasons of any kind.

Privacy Statement

Scope

This data protection declaration is intended to inform the users of this website about the type, scope and purpose of the collection and use of personal data by the website operator (Manuela Lopatic-Hafner, Postfach CH-5022 Rombach) in accordance with the Federal Data Protection Act and the Telemedia Act.

The website operator takes your data protection very seriously and treats your personal data confidentially and in accordance with legal regulations.

Also keep in mind that data transfer on the Internet can always be subject to security vulnerabilities. Complete protection against access by third parties is not possible.

Access Data

The website operator or page provider collects data about access to the page and saves it as "server log files". The following data is logged in this way:

- Visited Website
- Time at moment of access
- Amount of data sent in bytes
- Source/reference from which you accessed the page
- Browser used
- Operating system used
- IP address used

The data collected is used solely for statistical evaluations and to improve the website. However, the website operator reserves the right to subsequently check the server log files if there are concrete indications of illegal use.

Cookies

This site employs cookies. These are small text files that are stored on your mobile device. Your browser accesses these files. The use of cookies increases the user-friendliness and security of this website.

Common browsers offer the setting option not to accept cookies. Note: There is no guarantee that you will be able to access all functions of this website without restrictions if you make the appropriate settings.

Handling of personal data

The website operator only collects, uses and passes on your personal data if this is permitted by law or if you consent to the collection of data.

Personal information is any information that is used to identify you and which can be traced back to you, such as your name, email address and telephone number.

Handling of contact data

If you contact the website operator through the contact options offered, your details will be stored so that they can be used to process and respond to your enquiry. The data will not be disclosed to third parties.

Use of social media plug-ins

This website uses Facebook Social Plugins, which is operated by Facebook Inc. (1 Hacker Way, Menlo Park, California 94025, USA). The connections can be recognized by the Facebook logo or the terms "Like", "I like", "Share" in the Facebook colors (blue and white). Information about all Facebook plugins can be found in the following link:
<https://developers.facebook.com/docs/plugins/>

The plugin establishes a direct connection between your browser and the Facebook servers.

The website operator has no influence on the nature and scope of the data that the plugin transmits to the servers of Facebook Inc. You can find more information here:
<https://www.facebook.com/help/186325668085084>

The plugin informs Facebook Inc. that you have visited this website. It is possible that your IP address may be stored. If you are logged into your Facebook account during your visit to this site, the above information will be linked to your Facebook account.

If you use the functions of the plugin - for example by sharing or "Liking" a post - the corresponding information will also be transmitted to Facebook Inc.

If you would like to prevent Facebook Inc. from linking this information to your Facebook account, please log out of Facebook before visiting this website.

Rights of the user: Information, correction and deletion

Upon your request, you as a user will receive free information about which personal data about you has been stored. Unless your request conflicts with a legal obligation to store data (e.g., data retention), you have a right to have incorrect data corrected and your personal data blocked or deleted.
